

## God is Real Today

### VERSE

Time is spinning round  
This earthly ground  
Is crying for a real love  
The world keeps moving on  
Religion's walls  
They blind our souls from seeing

时间正慢慢流逝  
世上人群  
正在寻找真爱  
世界不停在转动  
虚假谎言  
让我们无法看见

### PRE CHORUS

You only You can save my soul  
All my brokenness made whole

主唯有你拯救我生命  
医治所有破碎心灵

### CHORUS

God is real today  
He's the Only Way my heart says  
God is real today  
My Rock of faith, come what may  
I (still) believe in You  
I (still) believe in You

God is real today  
唯有你是道路生命  
God is real today  
直到永远不改变  
我心坚定于你  
我心坚定于你

### VERSE 2

Hope it drains away  
The news each day  
Terror grips our minds' eye  
Faith it reaches out  
From Heaven's gates  
God's in control and only

人心正在彷徨  
没有盼望  
充满恐惧慌张  
爱从天而降  
充满四方  
流向万国万邦

### BRIDGE

No matter what they say  
His hand moves every day  
His power echoes through eternity  
He's marching with His saints  
He's pouring healing rain  
In all we stand on this eternal faith

我不管这世界  
有多么大改变  
你能力长存一直到永远  
你会在我身边  
陪我渡过危险  
所有的风浪都将要停歇

We Stand believing  
We Stand believing in You

我坚定相信  
相信永恒全能主
