

# I Need You

## VERSE

Came here in silence  
Bowing in reverence  
Whispers of love

进入你同在  
屈膝来敬拜  
歌唱你爱

Nothing else matters  
To be in Your presence  
Just world's apart

只要有你在  
心就有平安  
不再孤单

I stand in awe  
In wonder of You  
Your majesty  
Ancient and glorious  
The Light of the World  
And You live in me

惊叹你作为  
伟大奇妙神  
何等荣美  
荣耀与尊贵  
世界真光  
你与我同行

## PRE CHORUS

You captured my heart ..  
You set me apart

你得着我心  
我分别为你

## CHORUS

I need You  
I need You in me  
Come and breathe upon me  
Spirit hold me close within

I need You  
主我属于你  
求你更新我灵  
主圣灵充满我心

## BRIDGE

I'll wait on You  
As you pass on through  
I'll wait on You  
For Your touch anew

全心等候  
求你隐藏我  
全心等候  
恩典临到我
