## *Verse:*

**Am7**      **F**                      **C**  
Came here in silence, bowing in reverence

Whispers of love

Nothing else matters, to be in Your presence

Just world's apart

I stand in awe, in wonder of You

**G**  
Your majesty

Ancient and glorious, the light of the World

**G**  
And You live in me

## *Bridge:*

**Dm7**      **Am7**  
I'll wait on You

**C**                      **G**  
As You pass on through

**Dm7**      **Am7**  
I'll wait on You

**C**                      **G**  
For Your touch anew

## *Pre-Chorus:*

You captured my heart

You set me apart
